ABOUT VESSEL

The Frauscher 1414 Demon Air Lulo is a striking blend of design, performance, and pure luxury. With twin Volvo Penta D6 diesel engines delivering 440 HP each, she offers precision handling and serious speed. Her sleek, modern silhouette, marked by a flat bow, vertical stem, and frameless windscreen, turns heads wherever she goes. Built for entertaining, Lulo accommodates up to 12 day guests with ease, offering a high-end experience.

The outdoor areas are purpose-built for socialising and relaxation, from the oversized aft sunpads to the generous swim platform that makes dips effortless. Forward and aft sunshades offer protection on warmer days, while a hardtop above the helm and elegant teak decking bring structure and style. An integrated cockpit bar features a grill, refrigerator, and ice maker, deal for onboard entertaining. Every inch has been designed for comfort, practicality, and maximum enjoyment on the water.

Step below deck and you'll find a spacious, air-conditioned cabin with incredible headroom and a layout that balances comfort and function. She has two beds that can sleep up to four berths with a convenient head and shower.

Powered by twin Volvo Penta D6 inboards (440 HP each), Lulo delivers exhilarating performance and stable cruising. With joystick control, autopilot, radar, GPS plotter, and chain counter, she's equipped for confident navigation. Onboard systems include a generator, shore power, freshwater and blackwater tanks, an automatic fire extinguishing system, and safety equipment. Additional features like underwater lighting and a powerful sound system create the ultimate experience.
