

RYCK 280 2024

El Masnou, España €158,380.00

RYCK — the new, cool boat brand from Germany! We are different, we are stylish, fast, and safe. And we build boats that are easy to use and really suit you. The shipyard behind the RYCK brand — HanseYachts AG — vouches for the highest quality. There is no such thing as a typical RYCK. Because life is diverse and interests differ. With our 3D configurator — or of course with the support of a RYCK dealer — you can create your own individual RYCK, tailored and built entirely to your wishes. And if you don't want to start from scratch when assembling your RYCK 280, we have developed six basic RYCK configurations that are suitable for different lifestyles: SPEED & PERFORMANCE, CRUISE & SWIM, DIVE & CLIMB, FISH & BARBECUE, TRIPS & WEEKEND and SURF & FUN. Perhaps you already know which RYCK is for you? But if not, you can be sure that we will build whatever combination of features you choose.

Boat Equipment / Propulsion Mercury Verado 300 hp V8 engine with stainless steel propeller (white). Preparation for single Mercury Verado engine installation, including steering, VesselView Link, and batteries. Trim tabs. Bow thruster.
