

Sunseeker Tomahawk 41 1996

Murcia, España €80,000.00

Introducing the stunning 1996 Sunseeker Tomahawk 41, a remarkable motor yacht that combines elegance with performance. With an overall length of 12.98 meters, this vessel boasts a sleek fiberglass hull designed in a Deep Vee shape, ensuring smooth navigation and stability on the water. Powered by twin Volvo Penta 8.2 DPX engines, each delivering an impressive 415 horsepower, this yacht offers exhilarating speed and agility, perfect for both leisurely cruising and adventurous outings. With only 25 hours of use, these engines are in excellent condition, ready to provide thrilling experiences on the open sea. Equipped with an electric windlass, the Tomahawk 41 enhances convenience while anchoring, making it an ideal choice for those who appreciate both luxury and practicality. The thoughtful accommodation includes a head, ensuring comfort during your voyages. Experience the perfect blend of style and performance with this exceptional motor yacht.
