

MOONEN 72

€1,649,000

Ref: NM726

Location: Adriatic

Length: 22.1m

A unique and spectacular displacement motor yacht, designed by René van der Velden, built by Moonen shipyards and delivered to her first owner in 2001.

Ten years later, in 2011, she was still in beautiful condition and was sold to an actual owner through Moonen shipyard and Nautamarine International Yachts Brokers. The new owner decided to make major refit at Moonen shipyard, including hull respray, interiors and electronics upgrade, engines and generator refurbish and etc.
