

POSILLIPO TECHNEMA 82

€790,000

Ref: NM721

Location: Roses, Spain

Length: 25.5m

Originally built in 2000 by Posillipo-Rizzardi shipyard in Rome, "Beyond" went through a major refit in 2015 at Hamble Yacht Services facilities in Southampton.

Almost all areas of the boat were redone: exterior silver paint with red upholstery, very original design interiors, Twin Seakeeper 9, updated Raymarine electronics, new chargers and inverter, Williams 445 Jet tender, additional sun beds on the swimming platform and etc.

Very well maintained since, she's now looking for a new owner.

Maltese registration, commercial license, the boat is ready for upcoming charter season!
