Elegance 76

PRIVILEGE YACHT

Description

This stunning 2003 Elegance 76 yacht, measuring 20.6 meters in length and 7.7 meters in beam, is in impeccable condition and ready to sail. With a capacity for 20 passengers, it is powered by two MAN engines delivering 1300 horsepower, with only 660 hours of use. The onboard electronics are state-of-the-art Simrad systems, featuring two radars, one brand new, with all controls mirrored on the flybridge. It also includes satellite TV with newly installed Wi-Fi. The yacht comes equipped with two Onan Marine Gen Z generators, one with 2130 hours and the other with 1170 hours. The service batteries were replaced in 2024. The yacht boasts four refrigerators, an ice maker, heated floors under the carpets, and four cabins, three of them en suite, plus a crew cabin. Fully equipped for comfort, it includes a separate freezer, dishwasher, washing machine, dryer, air conditioning, watermaker, and engine room surveillance cameras. The teak decking is in excellent condition, and the bow access is spacious and convenient. This yacht has been meticulously maintained by professionals. Plenty of storage space. Ready for new adventures!
