

Sea Ray 240 Sundeck

The Sea Ray 240 Sundeck is a very popular day boat, well known for her practical deck layout, generous seating and comfortable onboard spaces. At around 8.03 m overall length with extended swim platform and 2.59 m beam, this model offers an excellent balance of easy handling, stability and family cruising comfort. She is designed to carry up to 12 people and is ideal for day trips, swimming stops and relaxed coastal cruising. The model is also appreciated for its spacious head compartment and clever use of space throughout the boat.

This particular boat is a 2006 Sea Ray 240 Sundeck, fitted with a MerCruiser 6.2 MX MPI petrol engine, a V8 sterndrive typically rated at 320 hp, offering strong performance and smooth cruising for this size of boat. She is registered under the Spanish flag, pleasure boat.

On board, she features a bathroom compartment with WC, washbasin and shower, a very practical feature on a day boat of this size. The layout is excellent for enjoying deck life, with a bow seating area that converts into a sunbathing area, and a cockpit table with aft seating for meals, drinks, or relaxing at anchor. The Sea Ray 240 Sundeck is also known for details such as the extended swim platform, integrated boarding solutions and a comfortable social cockpit designed for family and guests.

A versatile and comfortable boat, ideal for owners looking for a quality American deck boat with good performance, plenty of seating and practical day-cruising features.
