Description

Charlie Big Spuds is a beautiful example of the popular Fairline Targa 44 which was built in 2011 but only commissioned to her existing owner in 2013. Equipped with two Volvo Penta D6-370 engines with extremely low hours considering her age, she comfortably cruises at 25 knots

Her magnificent cockpit, elegant saloon with fully equipped galley, and her two spacious double cabins, make this boat the ideal cruiser for the Mediterranean.

Accommodation

Charlie Big Spuds has a magnificent cockpit, where you will find a large and comfortable seating area around a generous teak table, a handy wetbar with sink and fridge, a co-pilot L-shaped seating and the fully equipped pilot console. All these areas benefit from the shade given by her integrated hard-top with opening forward roof.

Below decks, there is an elegant saloon area with carpeted floor, a large U-shaped sofa around an adjustable table and a galley opposite with all cooking facilities.

This 44 Targa also comes with two very large cabins, sleeping 4, both with their own en-suite. No doubt this boat is all you need to enjoy life out on the water!
