

Bluegame 54

Year: 2024

Price: EUR 1,890,000 Tax Not Paid

Location: Spain

Hull Material: Fibreglass

Fuel: Diesel

Max Speed: 30 knots

Condition: As-new

A unique opportunity to acquire a brand-new Bluegame 54 with only 250 engine hours and a 2024 hull.

This unit combines intelligent walkaround design with high-end finishes, offering the comfort and space of a much larger yacht.

The bright and elegant interior features two well-sized double cabins, two bathrooms and large kitchen. Powered by Volvo Penta IPS engines, it delivers excellent efficiency, performance, and precise manoeuvrability.

Available for immediate delivery. Viewing highly recommended.

- Volvo Penta autopilot
- VHF station with passive AIS receiver
- IPS joystick
- Volvo Penta electronic throttle
- Digital switching and automation for main DC and AC services integrated into the main panel
- Backlit switch panel for deck services
- Custom Bluegame steering wheel
- Fire extinguishing system control
- Red navigation light control
- USB socket
- Seakeeper - 62 hours

Electrical Systems

- Generator 9 kW 230 V
- AGM battery pack for engines 260 Ah / 24 V
- GEL battery pack for service 330Ah/24V
- AGM battery for generator 110Ah/ 12V
- AGM battery pack for winch 165Ah/ 24V

- Electromechanical battery switches with remote digital control
- 80 Ah battery charger for services and engines
- Battery charger for generator
- Shore power 230 V 63 A with 25 m connection cable
- Galvanic isolator 63 Ah
- Inverter 2,000 W
- AC electrical panel (230 V AC) CE certified in the machinery room with electromechanical switching for all outlets with remote control at the main panel
- DC electrical panel (24 V DC) CE certified in the machinery room with electromechanical switching for all outlets with remote control at the main panel
- Generator - Decision Maker 3500 – 92.3 hours

Engine Room

- 2 x Volvo IPS 800 D11 / 2 x 459 kW / 625 HP
- Structural fuel tank of 1,800 l in composite with fuel level sensor connected to the Volvo EVC system
- Four bilge pumps: two in the machinery room and two in the aft area with automatic and manual control
- Fire extinguisher system with manual and automatic control
- Electric valves for fuel interception
- Double water/fuel filter separator
- LED lights in the machinery room
- 25,000 BTU chiller air conditioning unit
- 2 x electric extractors and thermostat switch
- Air intake with water traps
- Watertight power outlets
- Sea water filters
- Stainless steel access ladder to the machinery room
- Intruder trim system

Hydraulic Systems

- 500 lt PE fresh water tank with level indicator at the main panel
- 50 lt water heater (230 V)
- 130 lt black water tank with level indication at the main panel
- 130 lt gray water tank with level indication at the main panel
- Black water discharge system to shore
- Gray water discharge system to shore
- Fresh water pump
- Four bilge pumps: two in the machinery room and two in the aft area with automatic and manual control
- High pressure fresh water inlet

Galley and Laundry
