

Custom Line composite YD63B centre console Yacht tender

Custom Line composite YD63B centre console Yacht tender. It was built by Yachting Developments shipyard (New Zealand). Constructed in composite, the YD63B yacht tender, featuring a centre console configuration. Engine installation of the YD63B yacht is impressive, presented as a showpiece in polished stainless steel and chrome. Care has been taken to ensure ease of access and serviceability while the vessel is in use. Engine Yanmar diesel 4LHA-STP 240hp. Propulsion Ultrajet 250 Water Jet. YD63B yacht's structure is an epoxy-laid axial high-strength foam-cored sandwich. The hull exterior is a high gloss painted finish incorporating a clear finished inlaid mahogany timber boot top. Integral fore and aft lifting points are designed and built into the structure enabling the crew to retrieve and stow the vessel quickly. White gelcoat hull with military green vinyl. Trailer Bradley HU12. Centre console, walk-around, tender.
