

SIRENA YACHTS

DEDICATED TO
FAMILY...

*We are born into a family and
we create our own as we grow.
Family is at the heart of the
Sirena 88,
let it become part of yours.*

“**HARDER**
BETTER
FASTER
STRONGER”

**YOUR PASSION IS
OUR FUEL
LET'S GO FURTHER...
TOGETHER!**

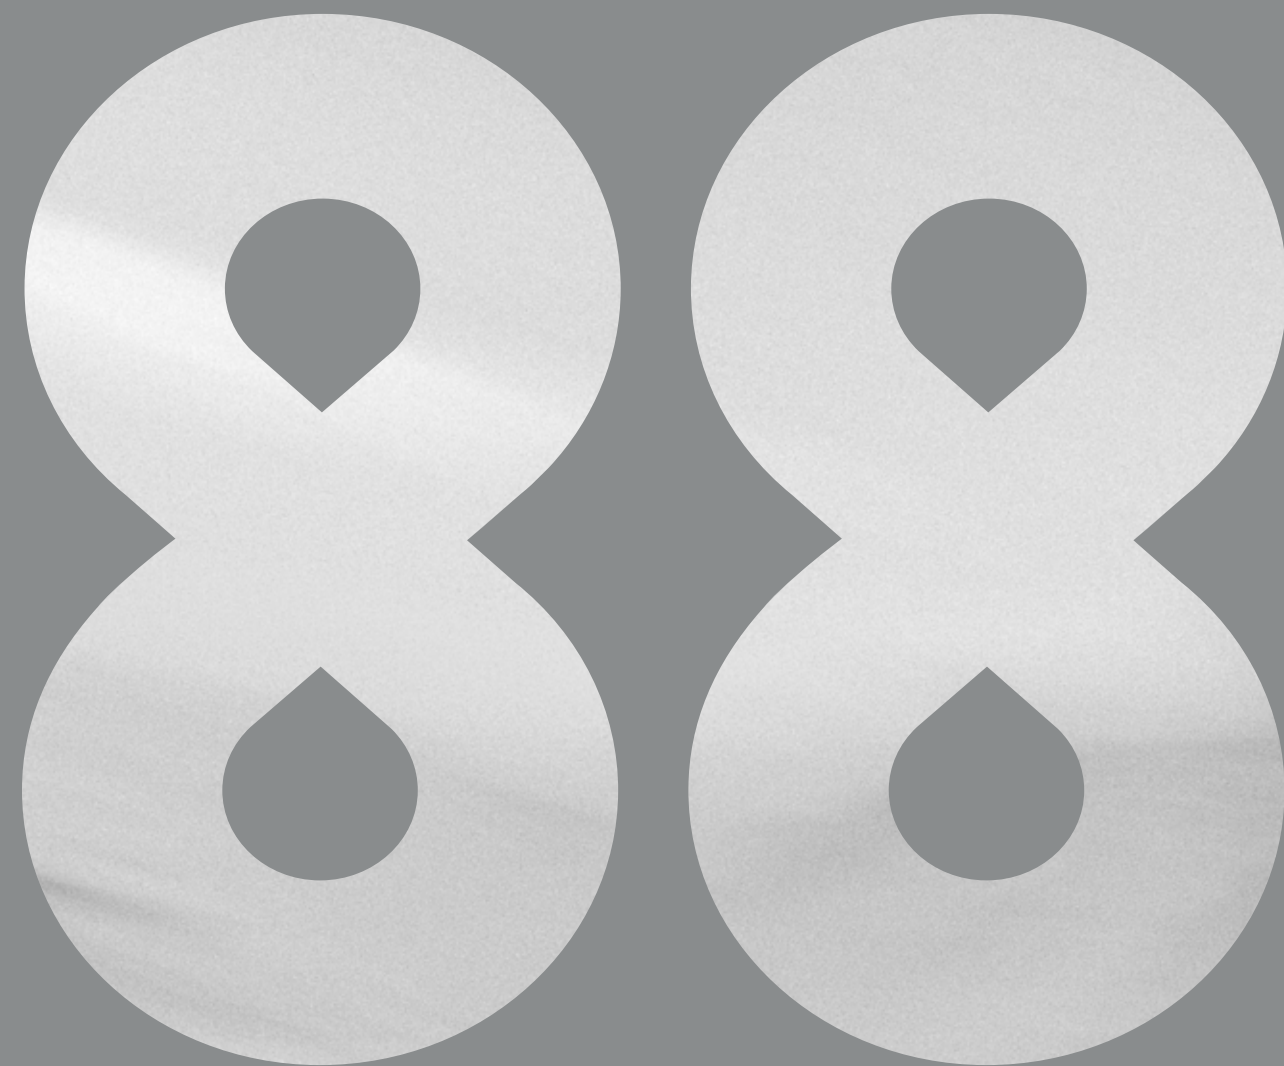

SIRENA 88^{RPH}

**SHELTER, LOVE,
TRANQUILITY
WELCOME HOME**

 **SIRENA 88** RPH

HOW FAR CAN WE TAKE YOU?

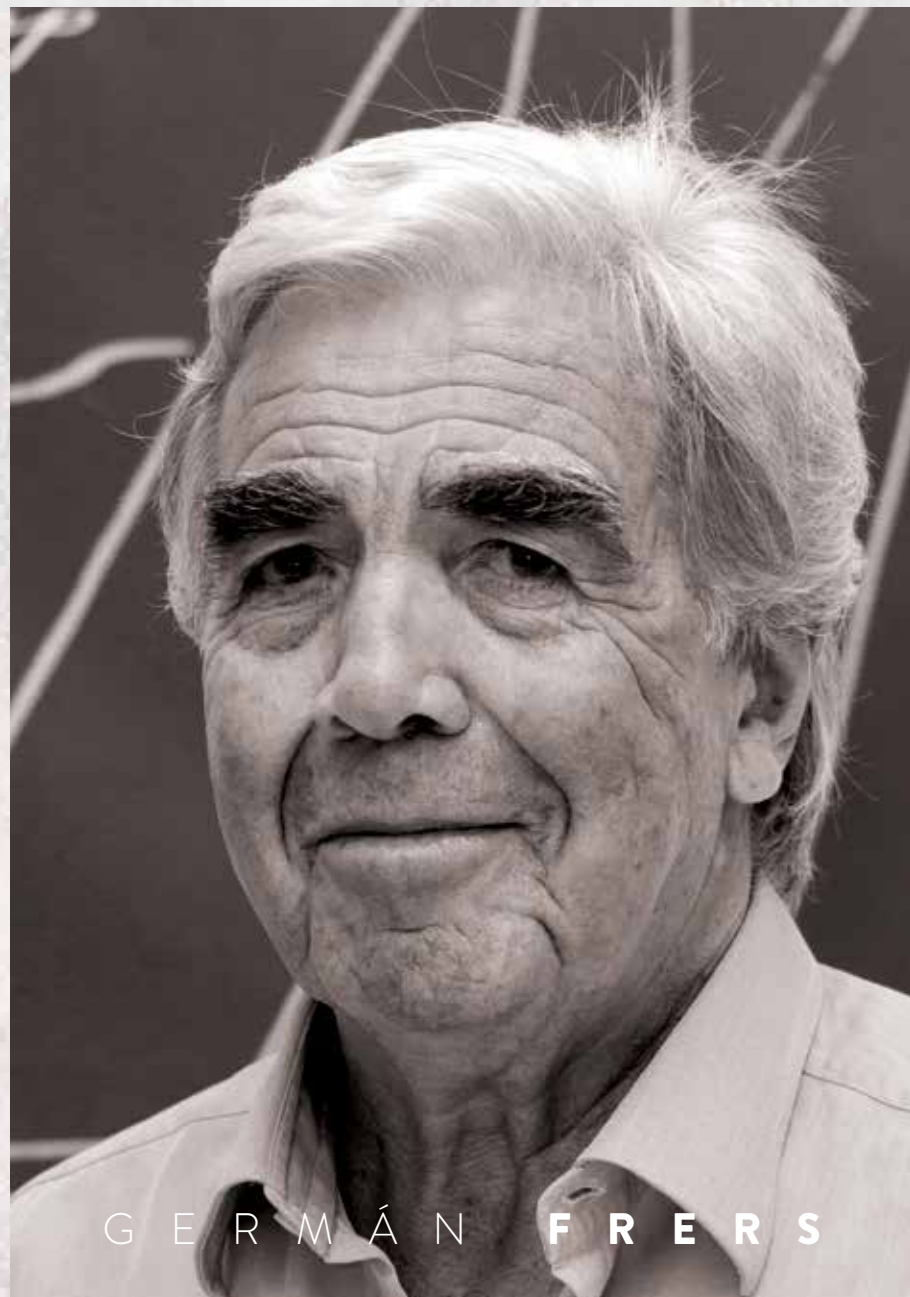

WOULD YOU LIKE TO TOUCH THE
HORIZON?

WE CAN'T TAKE YOU TO THE MOON,
HOW ABOUT THE NEXT BEST THING?

**HOW ABOUT MATERIALIZING YOUR
UNCONSCIOUS?**

Your imagination is our promise to take you above
and beyond.

Wide, voluminous, safe. Silent by design.
Engineered with passion. With attention to every
detail. In supreme comfort, the Sirena 88 can take
you to the roads less traveled. You can now cross
the seas to the secluded bays you have dreamed
about. Your journey will never need to end.

“ *Our design work is backed by our solid racing and cruising tradition at sea and a clear understanding of the enjoyment and peace of mind that life on board yields, which can be taken to a higher degree by the beauty and functionality of the design.* ”

The Sirena 88 is a masterpiece. Pure in her philosophy and vision, she represents the master craftsmanship and tradition that all our Sirena Yachts exude, yet she is in a class of her own.

She is a true expedition-go-anywhere small yacht in comfort and safety on a dynamically stabilized offshore design.

According to the hull characteristics and design; the Sirena 88 is an evolution of her smaller sister the Sirena 64, a low resistance, sea kindly hull, that performs efficiently with a minimum amount of fuel consumption at all speed ranges, including high speed. The maximum speed will be in the order of 25 knots depending on the engine power rating selected among the options offered. Cruising range will be 2,100 miles at cruising speed.

Accommodations space is very generous and includes the full width, main deck owner cabin with its own balcony to the sea, plus four en-suite cabins, one of them a very large VIP guest suite. Two formal dinner areas, one “al fresco” on the upper deck and a second on specially designated area on the main deck saloon are featured.

The fully fitted bridge is independent and separated from the rest of the interior accommodations with direct access to a double command on the upper deck. The foredeck it is fitted with special seating/sunbathing area on the foredeck fitted with an optional jacuzzi.

Welcome home!

Germán Frers

HOME SEA HOME

Better yet imagine not closing your eyes to dream. It is all there in front of you. **Warm. Inviting. Relaxing. Luxurious.** Erase “homesick” from your dictionary. The **Sirena 88** exudes a dreamy aura, yet you’re wide awake.

We acknowledge **Sirena 88** as **gorund zero for the Pocket Superyacht Concept**. The width and the **volume** create such an intimate ambience that you wouldn’t notice, you are on a yacht until you see the sea. You can literally waltz through your **Sirena 88** to the **rhythm of the waves** with your beloved ones.

88

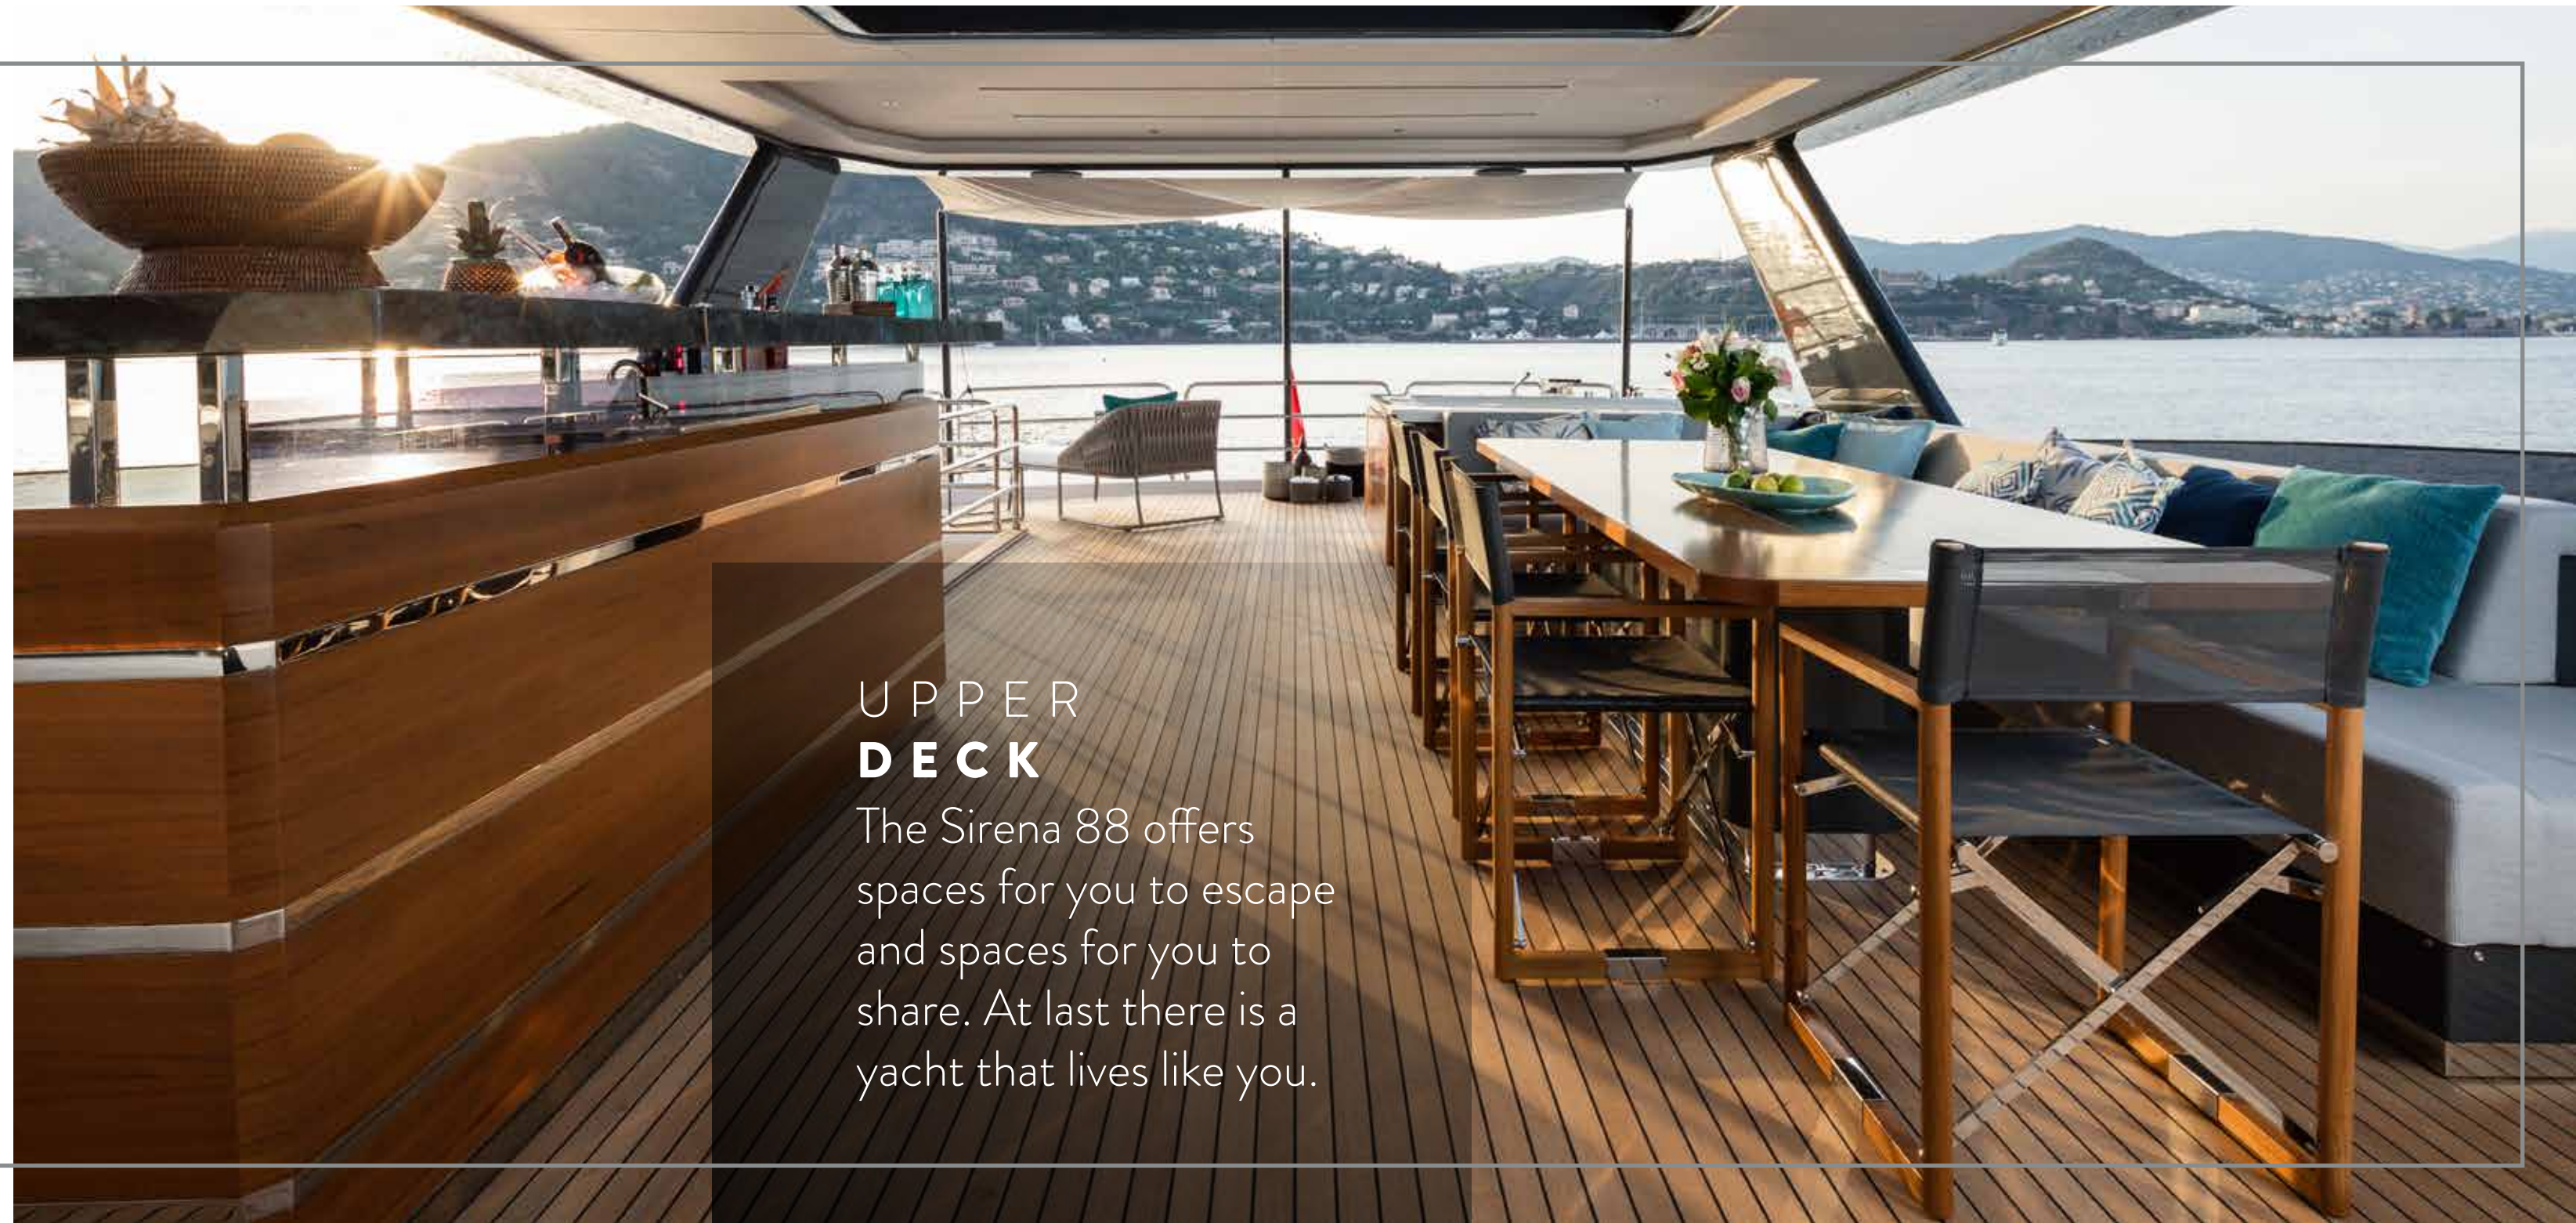

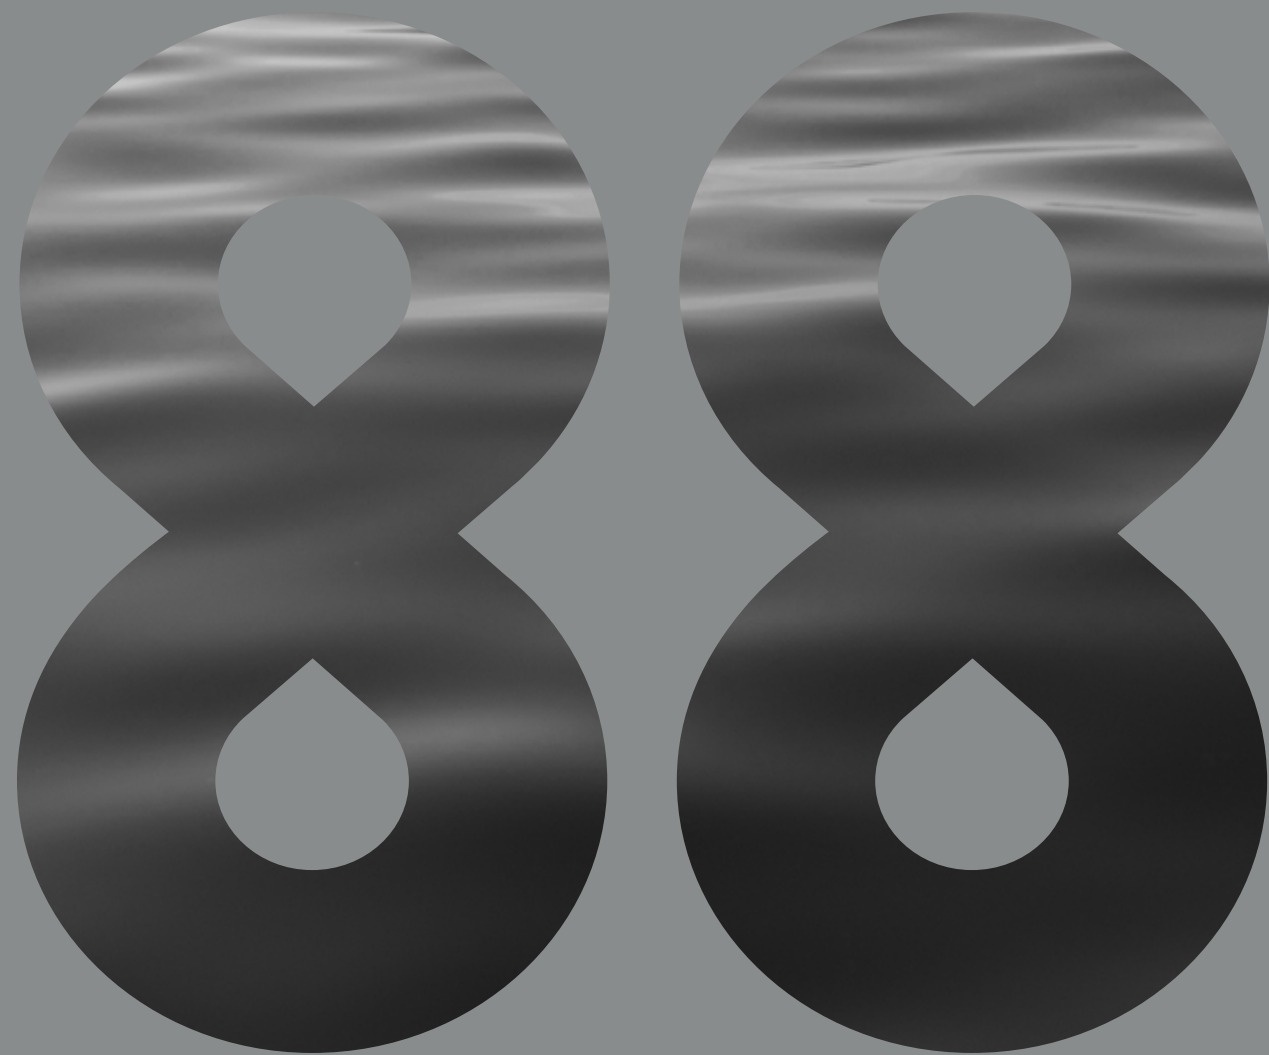

UPPER DECK

The Sirena 88 offers spaces for you to escape and spaces for you to share. At last there is a yacht that lives like you.

“YOU ARE MY HEART
YOU ARE MY SOUL
YOU ARE MY
SIRENA 88”

“ I TRY TO
REDISCOVER
WHAT NEVER
EXISTED ”

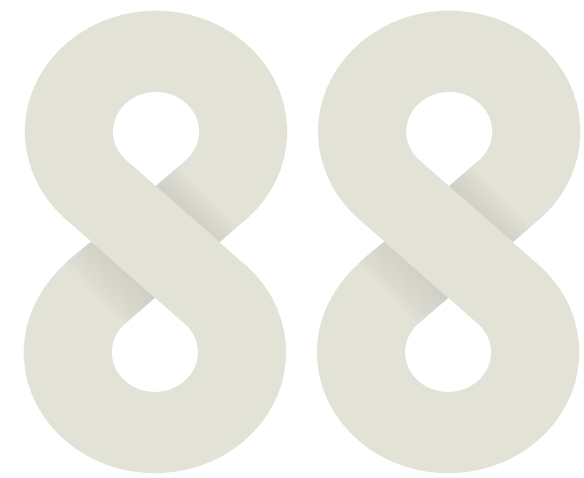

Cord D. Rover

**Timeless, luxurious and
innovative exterior-interior
yacht design.**

The Sirena 88 is designed with lines that are unique but recognizable, not exaggerated but surprising. Lines that are beautiful today and will be tomorrow. In other words, reflections of perpetuity. In our vision you can only achieve these results with a strong interaction between client and designer. It's a search for timeless beauty. With respect for both classic lines as well as modern shipbuilding-techniques, together we will search for that single style that makes it to what it eventually will be: the Sirena 88: a brilliant combination of different worlds!

BORN FROM TURKISH **CRAFTSMANSHIP TRADITION**

When you are pulled towards something with a desire to touch, to feel and admire, you know that it must be made with care and craftsmanship that lives and breathes quality. This is care dedication. This care dedication is what drives how we build our yachts.

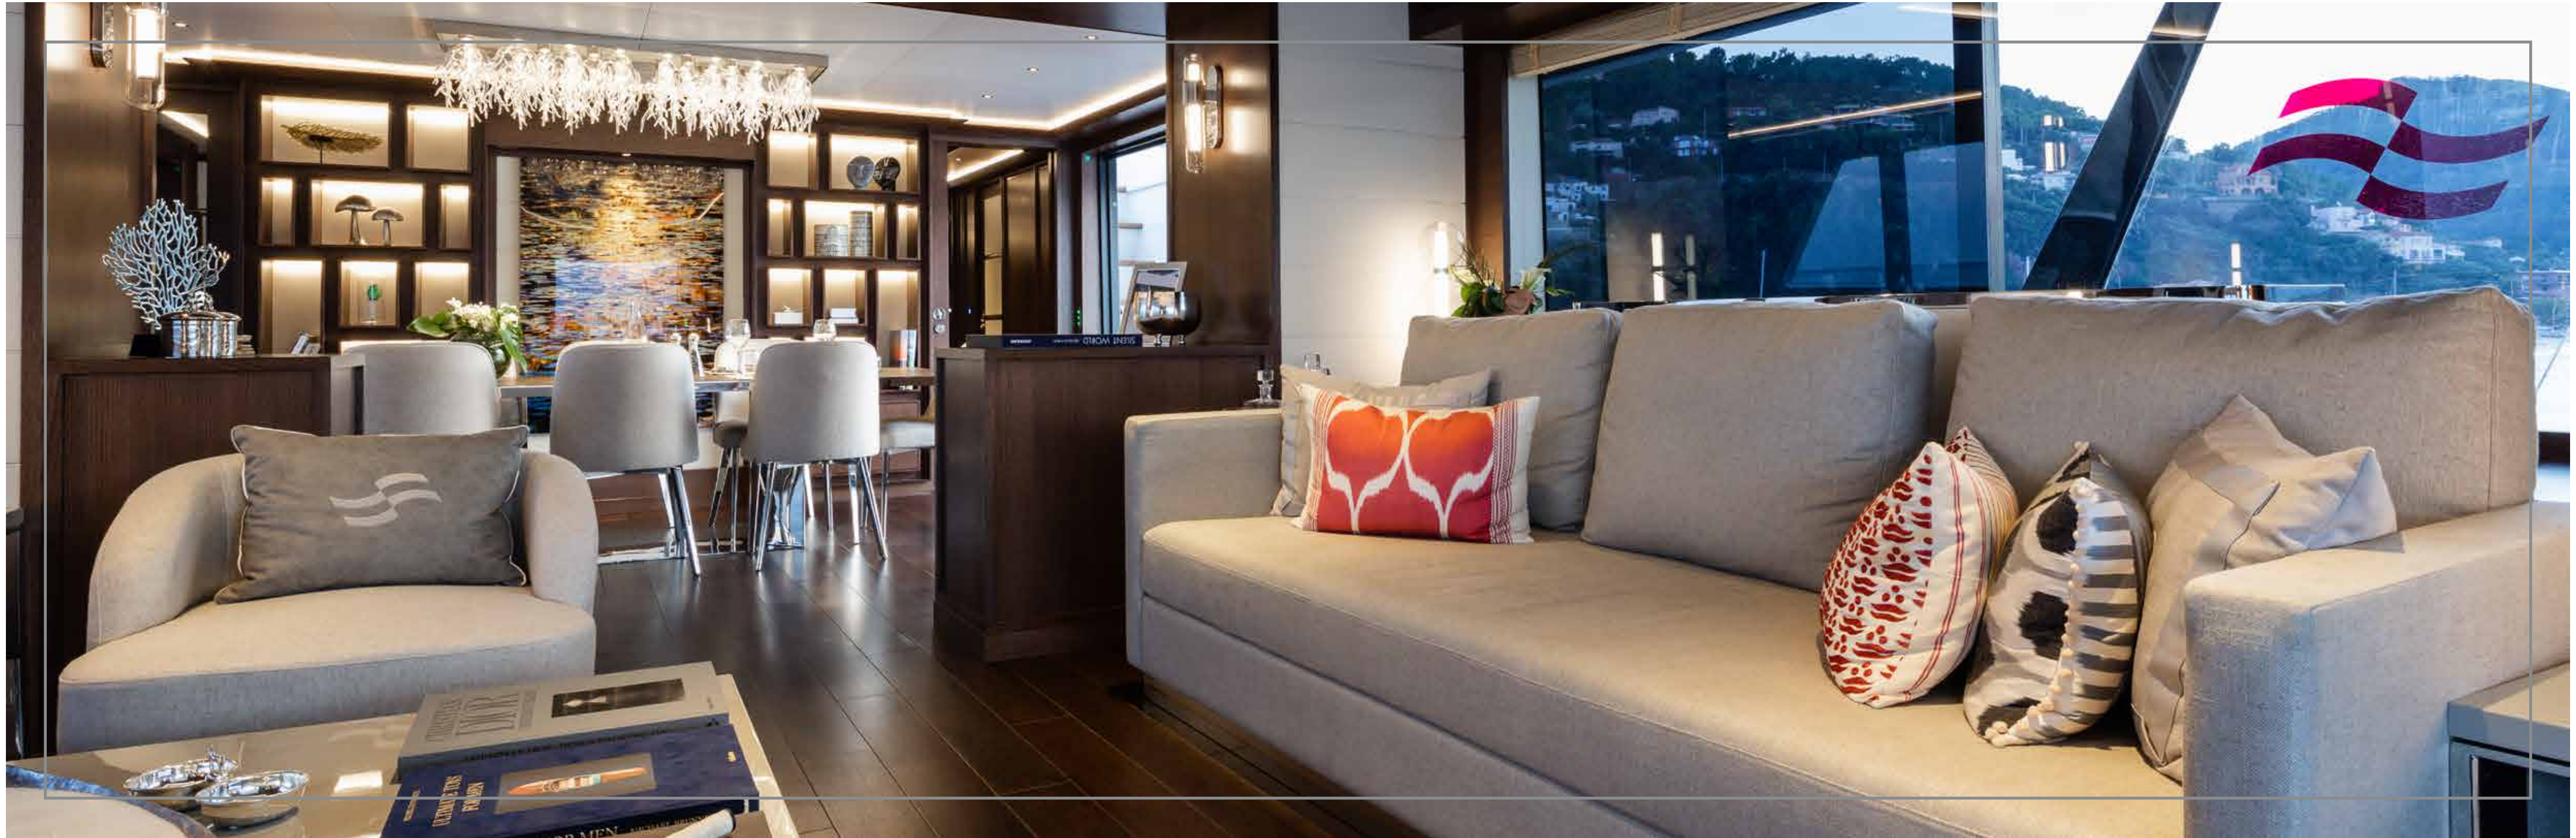

LIVING ROOM

Your life changes as you grow, your home is for many and your home is only for you. Like your home The **Sirena 88** can change and adapt as you do.

DINING AREA

To find silence is to find peace,
an escape and a chance to reflect.
To find such a place onboard a yacht
underway can be difficult. At last with
the **Sirena 88** the search is at an end.

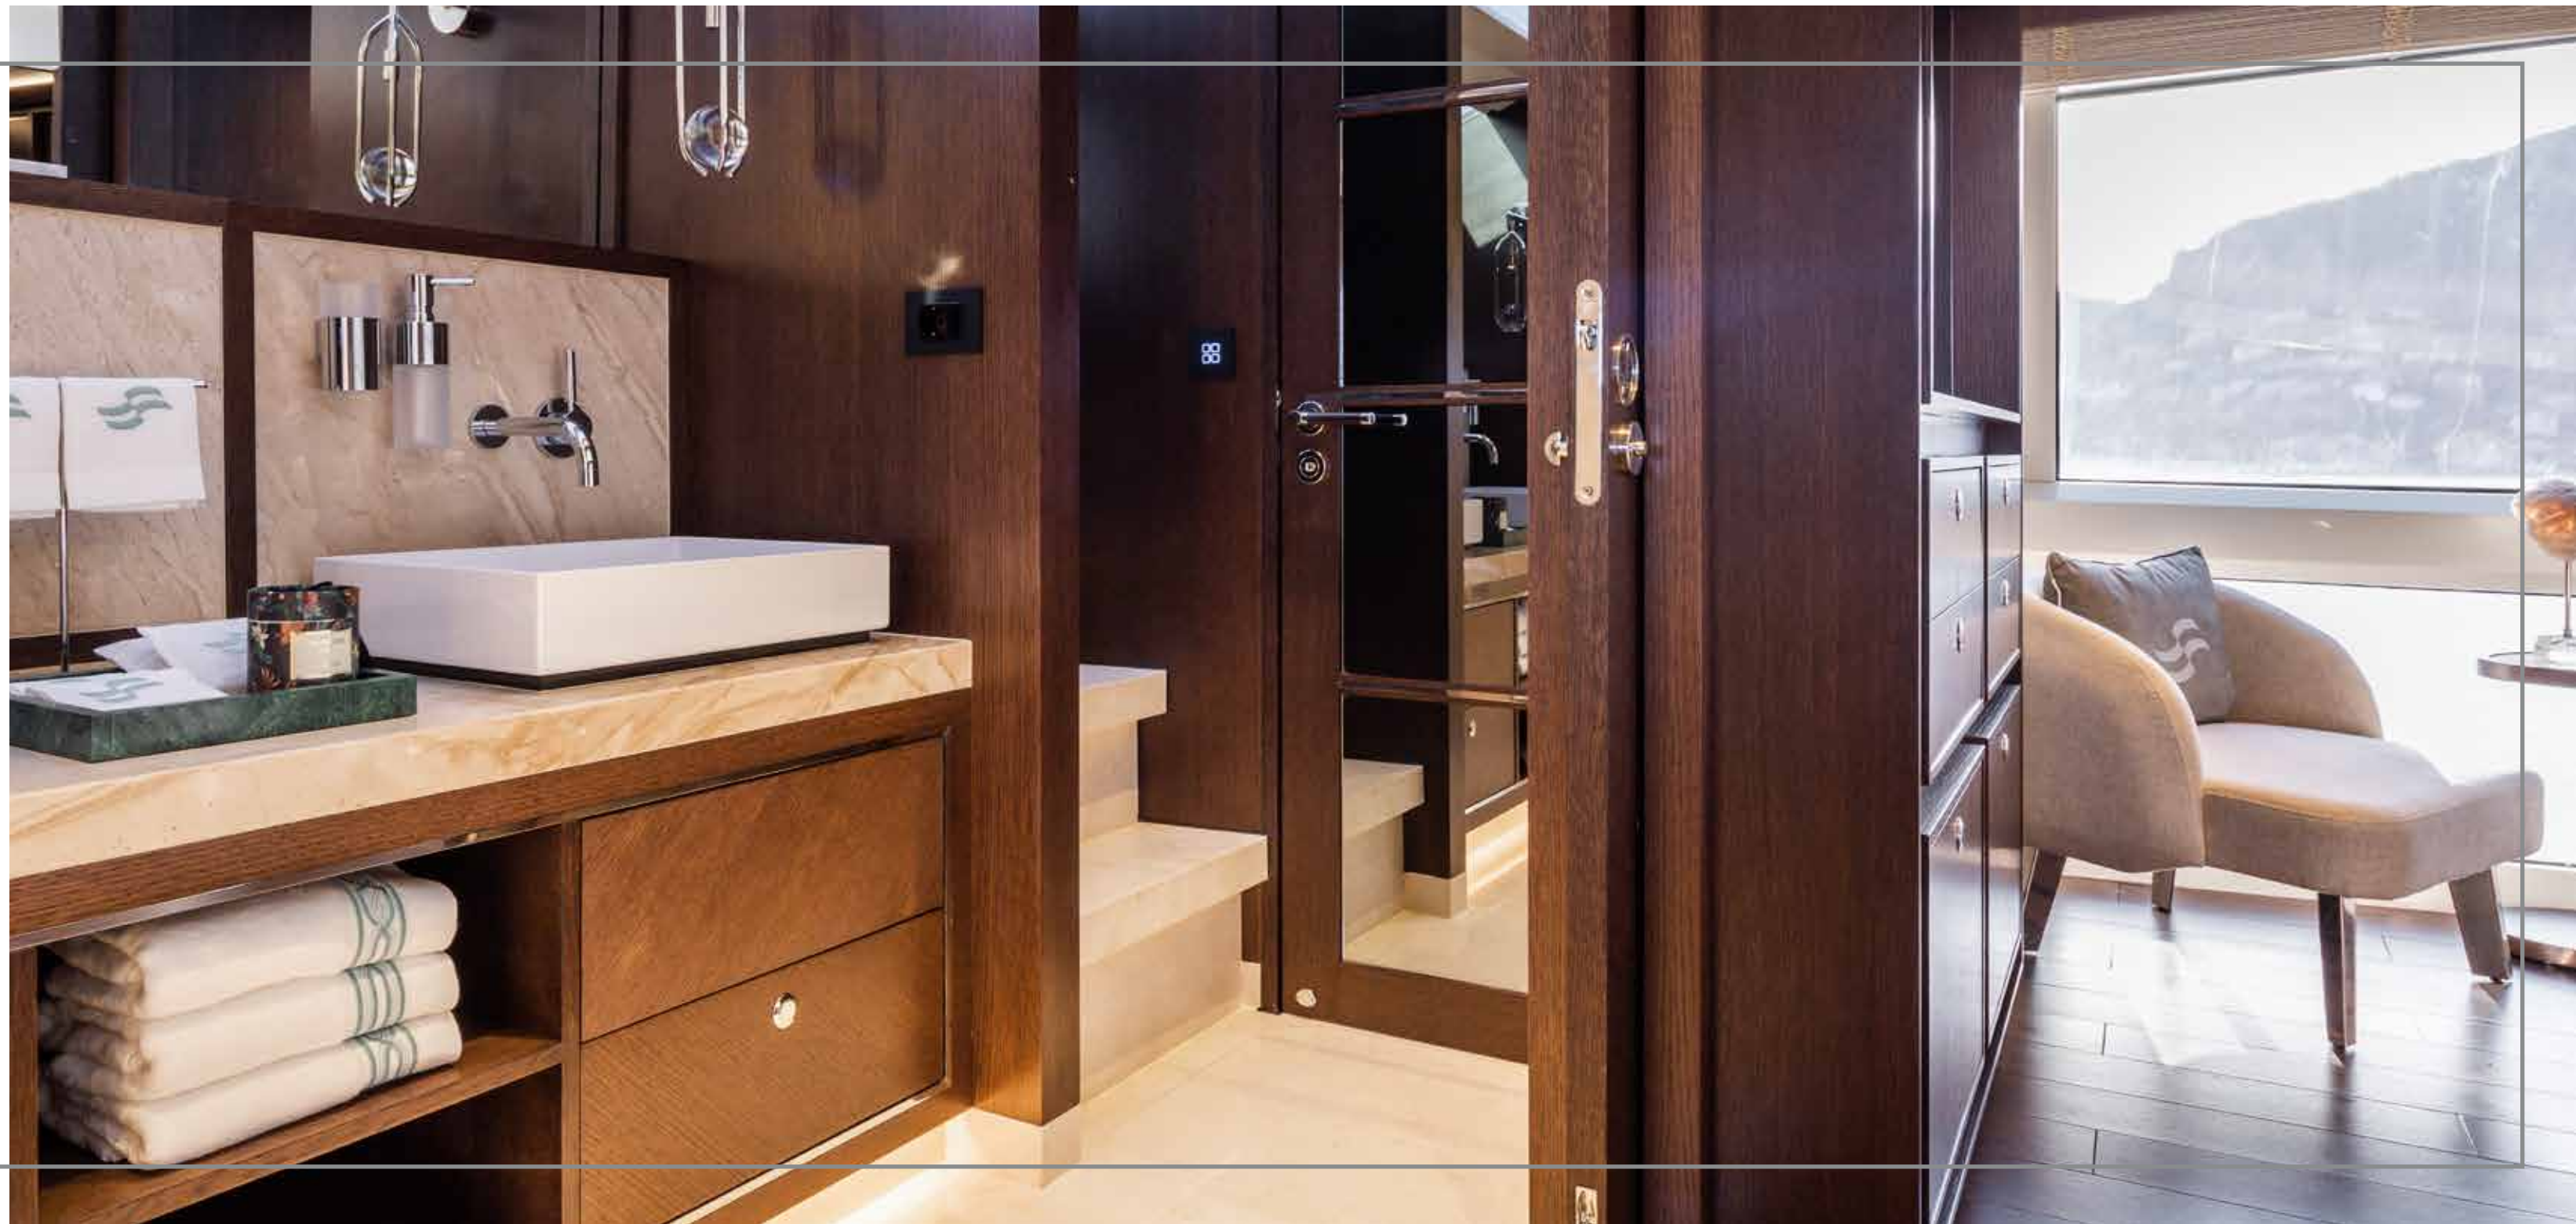

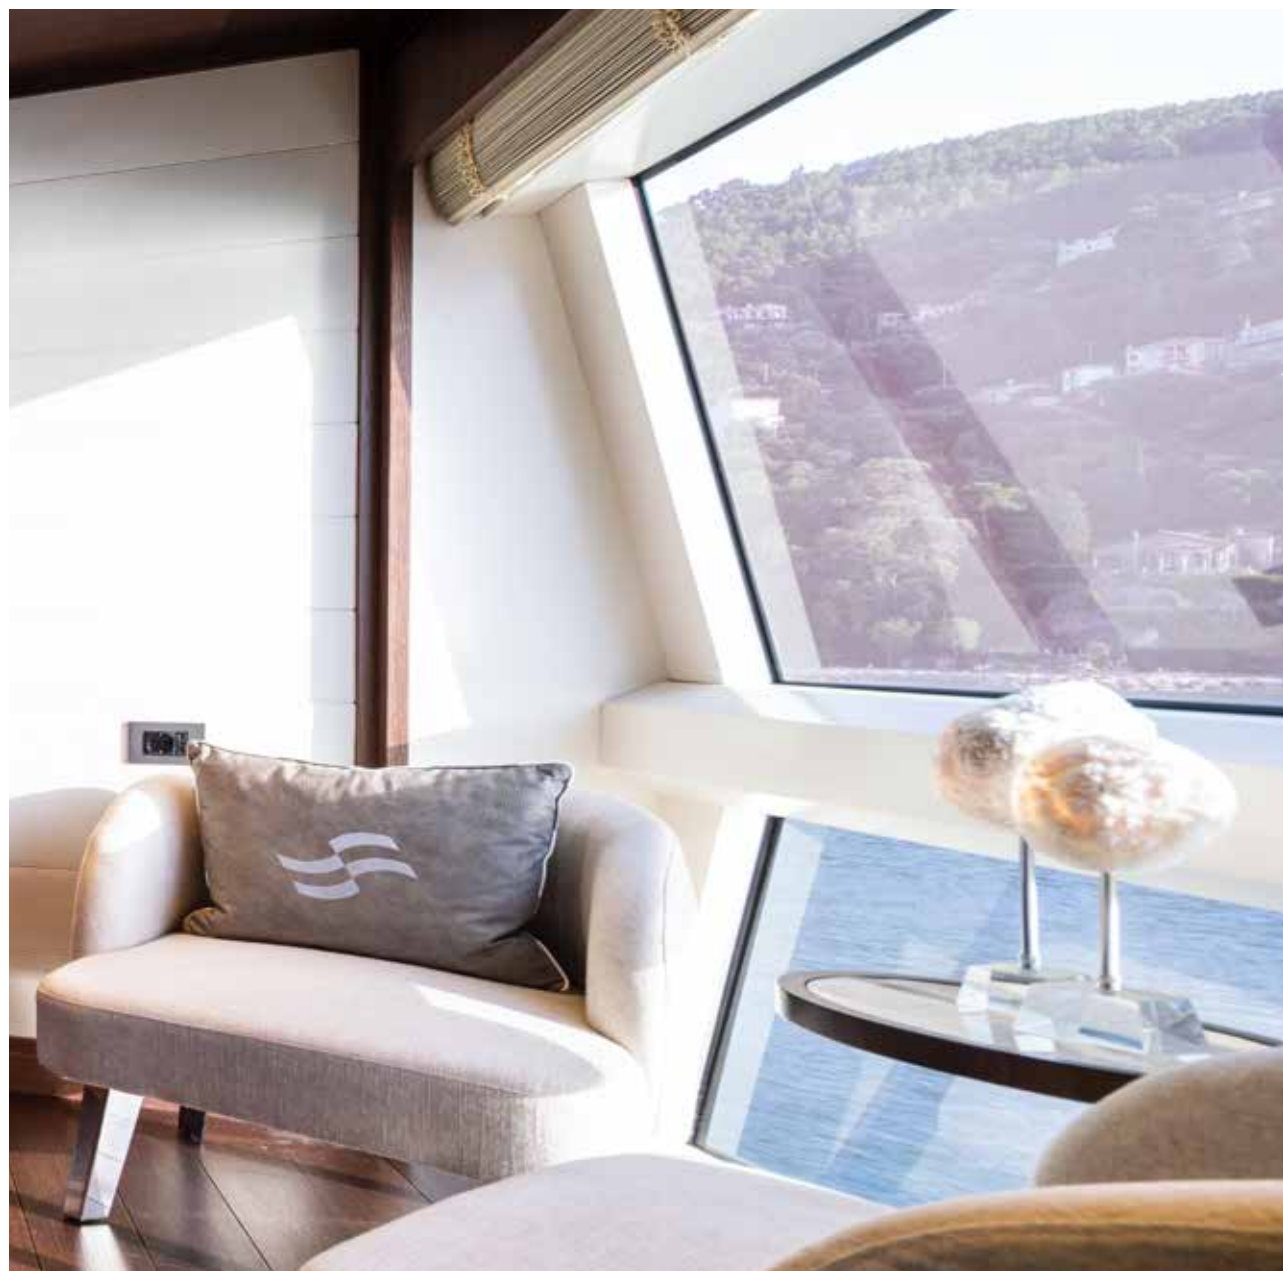

MASTER
SUITE

WANT TO PLAY **HIDE AND SEEK?**

Guests are enjoying a delightful time while your personal oasis awaits. Retreat and indulge in the serenity of your suite, in the privacy of your own foredeck. Tranquil and private, they will only find you if you let them. It is nice to entertain a crowd but it is even better to be able to enjoy a private moment in various areas of the yacht.

88

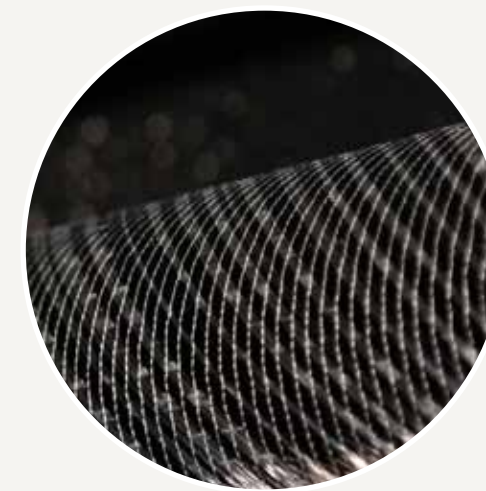

ADVANCED TECHNOLOGY

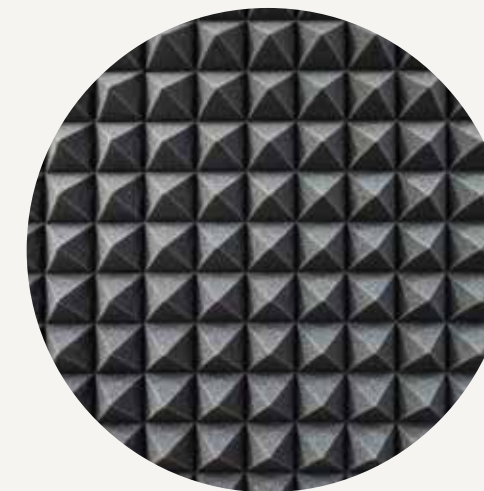

Dual Mode Hull Technology

The new dual mode hull generation ensures smooth navigation and excellent sea keeping, this state of the art hull design provides less water resistance on hull which enduces high efficiency thus, lower consumption, long range with a planning mode offering high top speed.

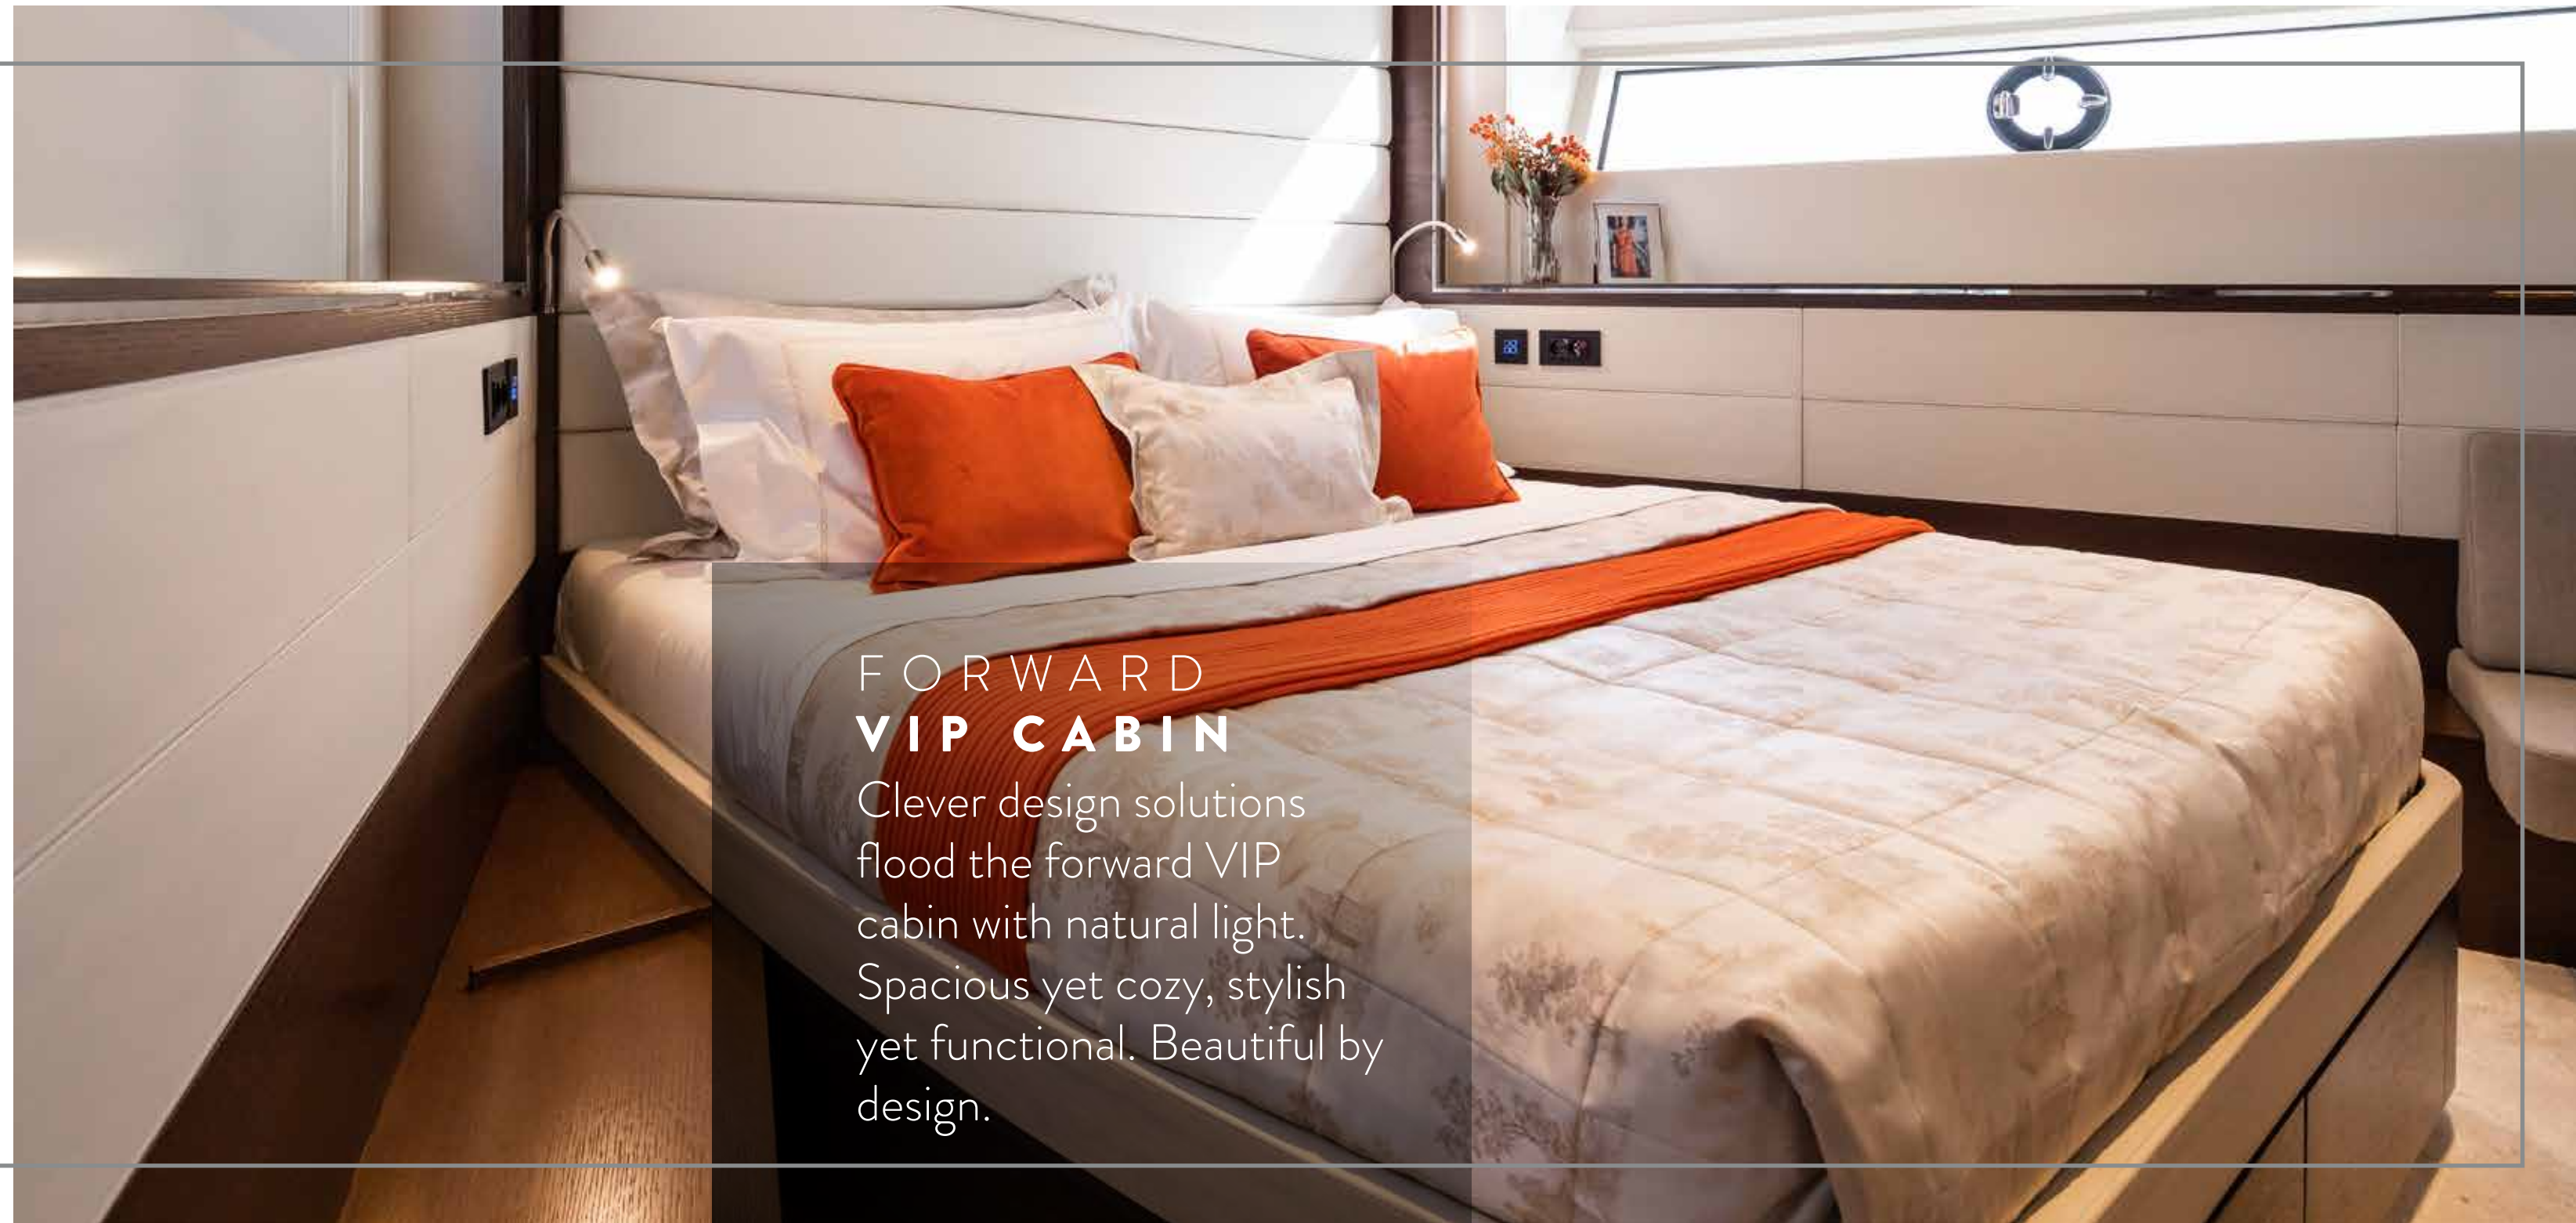

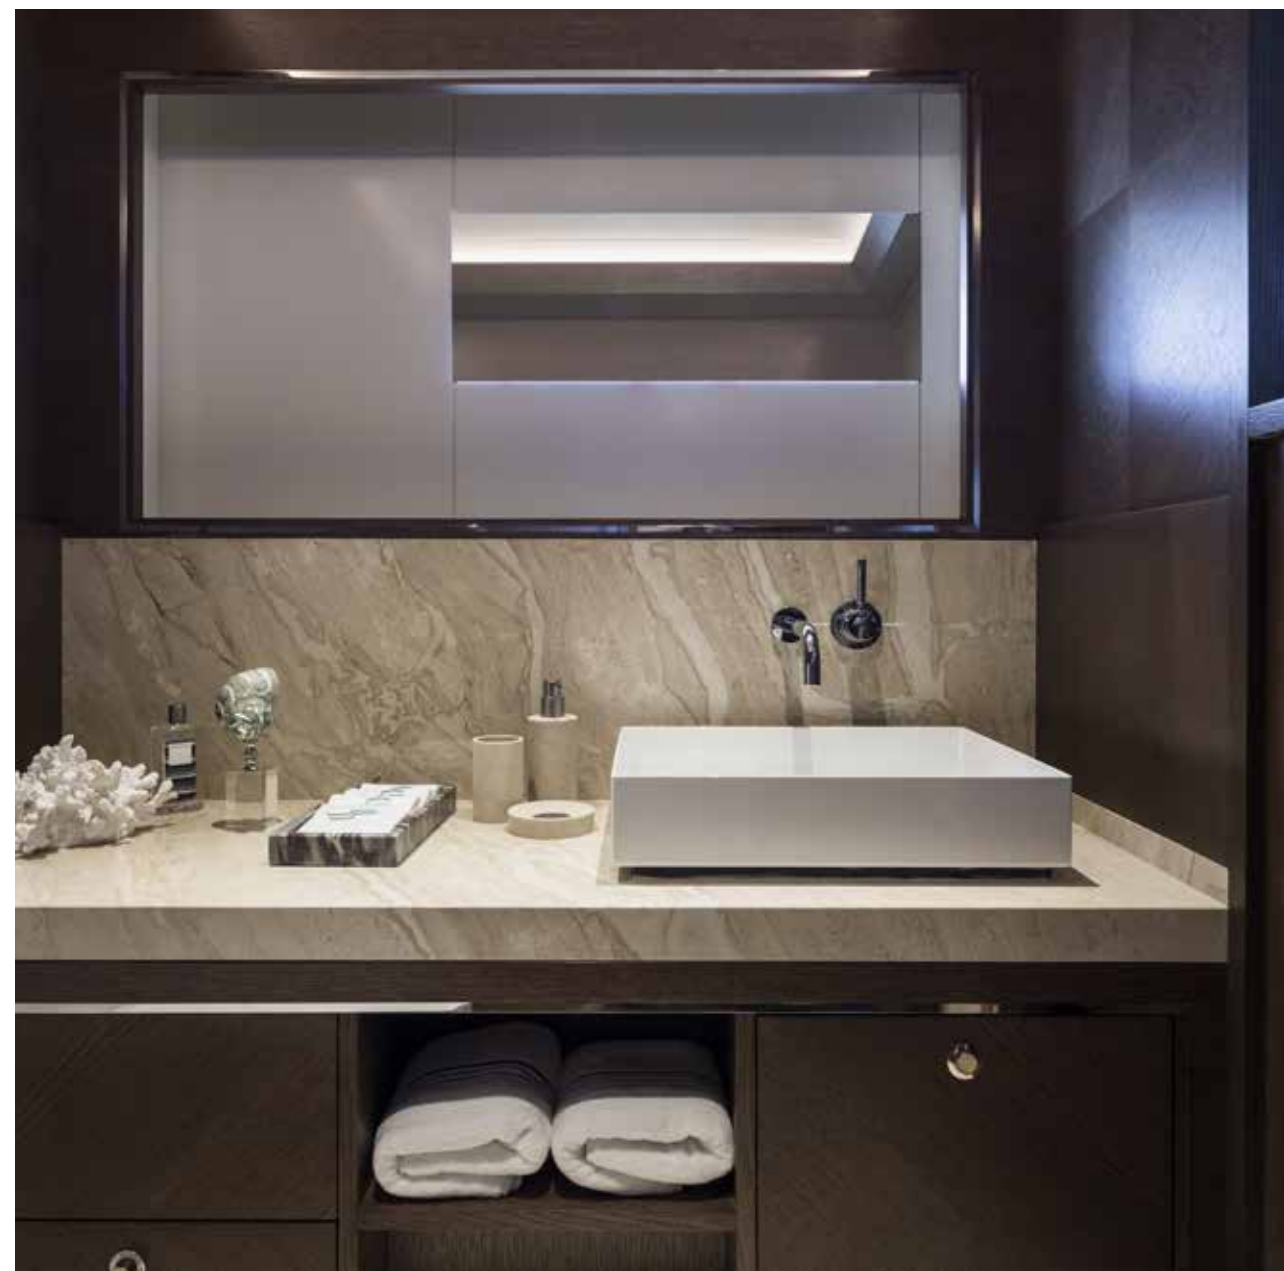

Carbon Tech

Hybrid carbon fiber lamination is applied to the superstructure, with this unique system, we have taken the centre of gravity to a lower position for an excellent seakeeping.

Sound Insulation

- Plenum box analysis and design accordingly to decrease air conditioner noise
- Equipment base analysis and design accordingly in order to decrease vibrational noise of the equipment, special elastic vibration mounts
- Flexible coupling between engine and shaft in order to decrease structure born noise
- Floating floor in cabins to decrease structure born noise, box-in-box insulation to separate the interior from structure
- Sandwich panels for all floors and bulkheads
- Flexible ceiling assembly fasteners with dampers to complete box-in-box

FORWARD
VIP CABIN

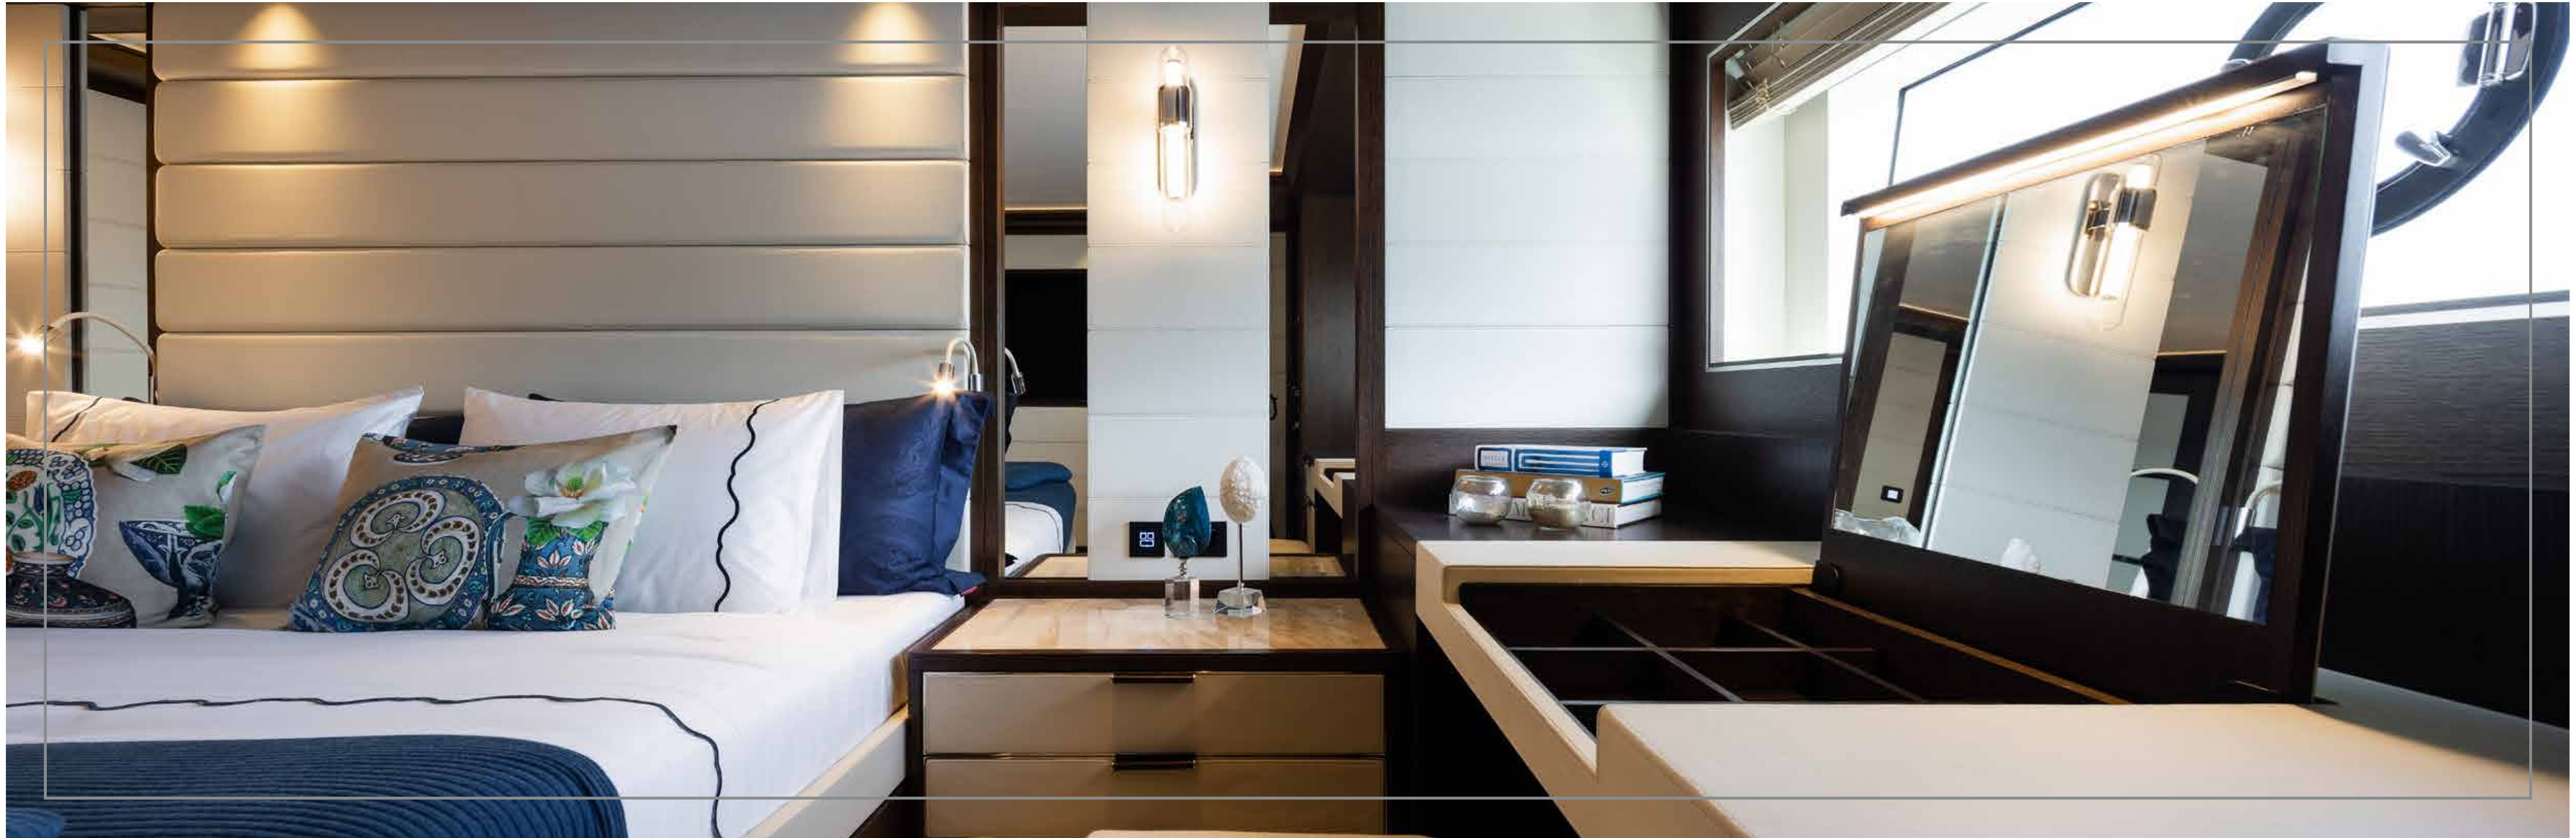

Clever design solutions
flood the forward VIP
cabin with natural light.
Spacious yet cozy, stylish
yet functional. Beautiful by
design.

A wide-angle photograph of a luxurious ship's cabin. A large bed with a white sheet and a blue textured blanket is the central feature. The headboard is a large, tufted, light-colored panel. Several decorative pillows with floral and geometric patterns are arranged against the headboard. To the right of the bed is a large, modern nightstand with a light-colored top and dark drawers. On the nightstand are a small blue decorative object, a white spherical object on a stand, and a small digital display. To the left of the bed, a doorway leads to a bathroom with a white sink, a mirror, and a porthole. The walls are a light, textured material.

MIDSHIP
VIP CABIN

Extra-wide beam, fully utilized. Exceptional levels of comfort and amenities. A superlative experience for your most discerning guests on board.

PENTHOUSE **OFFICE**

Amazing views. Your office has
never been so breathtaking.
Quality in every detail.
