

Dufour 385 GL 2004

PREMIA, España €99,000.00

Introducing the 2004 Dufour 385 GL, a remarkable cruiser with an overall length of 11.72 meters, designed for both comfort and performance. This used vessel features a sleek fiberglass hull with a flat shape and a fin keel, ensuring stability and agility on the water. Powered by a reliable Volvo inboard engine, delivering 45 horsepower, this boat is equipped for smooth sailing with a direct drive system. The engine has been well-maintained, with only 1500 hours of use, promising dependable adventures ahead. Accommodating up to six guests, the interior boasts two cozy cabins and a well-appointed head, perfect for extended trips. An electric windlass enhances convenience, making anchoring a breeze. The Dufour 385 GL is an ideal choice for those seeking a blend of elegance and functionality on the open seas.
