## Sunseeker Portofino 53

410 000 € Tax Paid

## Description

An exceptional boat, the Sunseekers make heads turn with their distinctive sonority, but that's not all; the plunging deck line, performance layout, ..., this 2005 Portofino 53 was refitted in 2022 (electronics, upholstery, sound system, ...). With its 2 Volvo Penta D12 of 715 hp, it will delight the aficionados of shaft lines, they will bring you to a speed of 32 knots (cruising speed announced 23 knots). The engines have only 1250 h (equivalent to 80,000 engine km of a car), with the invoice history available.

A yacht with all the features of a big one: 3 cabins, 2 bathrooms, one of which is en-suite, fully equipped galley (Bosh hob), extended platform and hydraulic gangway, 2022 underwater lighting, generator and air conditioning, television and Fusion system.

When it comes to navigation aids, she has it all: oversized bow thruster for easier manoeuvring, autopilot, EPIRB, ....

All you have to do is think about your next destinations: for crossings or in coves, alone in the world, with friends or family, this unit, with its electric sunroof and aft saloon, will give you precious memories with, if you like, your favourite music (Fusion system).

Let yourself be tempted by new horizons...
