

AURA I

2022 | SANLORENZO | SL78

ABOUT VESSEL

AURA I is a beautifully presented 2022 Sanlorenzo SL78, designed and built by the renowned Italian shipyard to embody the perfect balance of style, performance, and comfort.

Based in Palma de Mallorca, she offers the ideal starting point for exploring Mallorca's dramatic coastline, from secluded turquoise calas and sheltered anchorages to charming harbours and chic waterfront restaurants. With a skilled captain, professional chef, and dedicated stewardess/deckhand, AURA I's experienced crew ensures every charter is personalised and effortlessly memorable.

Her contemporary interior invites natural light throughout, creating a warm, open atmosphere where modern design and Mediterranean charm meet. Accommodating up to eight guests in four beautifully appointed ensuite cabins - including a full-beam master suite, VIP double, twin cabin, and a bunk cabin - AURA I provides serene comfort for families and friends alike. Each space has been refined with elegant finishes and a sense of understated luxury that reflects Sanlorenzo's craftsmanship.

AURA I's exterior decks are equally impressive, designed for socialising, dining, and relaxation. The spacious bow offers flexible sunbathing and seating areas, the shaded cockpit is perfect for al-fresco sunset cocktails, and the expansive flybridge invites panoramic views across the Balearics.

Her hydraulic bathing platform serves as both a sun-kissed terrace and easy access to the water, ideal for enjoying the collection of onboard water toys - including a Williams 395 Jet Tender, Seabob, paddleboards, and snorkelling gear.

Powered by twin MAN engines, AURA I cruises comfortably at 20 knots with fin stabilisers ensuring a smooth, stable experience. Every moment aboard blends relaxation with adventure - a seamless reflection of the calm, effortless spirit of island life.
