

ACCIDENTAL SUCCESS II

2023 | SUNSEEKER | 95 YACHT

■ ABOUT VESSEL

Delivered in late December 2023 this stunning Sunseeker provides all the amenities one could wish for.

Her well-thought-out design makes the most of the space onboard. Her on-deck master stateroom features large windows for plenty of light, leading down to a large dressing area and then down to the bright and spacious master bathroom. Features include a large walk-in shower with bench seating, a rain shower, a vanity with dual sinks and an enclosed WC.

Below deck, her four guest staterooms are also well appointed with 2 VIP Queens aft and 2 convertible cabins forward which can be set as 2 singles or a Queen in each. All staterooms have plenty of natural light through large windows, ensuite bathrooms include walk-in showers with hand-held and rain shower heads.

Her main salon and dining areas are neutrally decorated and again offer plenty of natural light with a full sliding glass door to starboard which can open up to a retractable balcony area.

Her aft deck leads down to the swim platform. Forward on the bow you'll find an enormous bunny pad as well as a table and seating area. When not in the water you'll likely spend most time on the flybridge which offers a Jacuzzi tub aft a wet bar and large seating area for alfresco dining and sundown cocktails served by your professional crew of 4.

A luxury yacht is shown from a high-angle perspective, moving across a body of water. The yacht is white with dark accents and has multiple decks. In the background, there is a large, green, forested hill under a clear sky. The water is a deep blue, and the yacht is leaving a white wake behind it.
