Atlantis 425 SC

155 000 € Tax Paid

Description

This Atlantis 425 SC is a success in its category. Three of its highlights are: the two beautiful double cabins and its bathrooms, the large stern sundeck with the garage for a dinghy and the timeless clean lines and curvaceous design. This model is part of the generation powered by Volvo Penta D6 engines, whose diesel consumption is lower than that of its predecessor. The engines are 310 hp, the most powerful this model has to offer with less than 350h. She will be delivered with new teak. This Open Sport Cruiser is a multi-purpose model, it is just waiting for you.
