Frauscher 1017 GT

The Frauscher 1017 GT is a boat that masterfully combines retro lines with a contemporary and highly elegant design, earning it the name of "*gentlemen racer*" from the shipyard. Its distinctive sharp bow and double-stepped hull, featuring a deep V extending to the stern with a 23° deadrise, ensure outstanding seakeeping performance. The deck is a true masterpiece of design and functionality. From the swim platform, generous teak walkways provide easy access between the two spacious aft sun cushions and lead seamlessly to the cockpit. From the windscreen to the bow, a sleek stretch of fine teak decking—interrupted only by two flush-mounted portlights—enhances the vessel's unmistakable elegance. The cabin, particularly spacious for a speedboat, impresses with its functionality and offers accommodates two overnight guests. Additionally, the galley and a bathroom with a shower make this boat perfectly suited for short cruises in absolute comfort. German flag, pleasure yacht.
