

Catamaran Leopard 44

Leopard 44 (2012) - Spacious, Comfortable, and Efficient

The Leopard 44 is a well-regarded cruising sailing catamaran known for its innovative design, comfort, and excellent sailing performance. Designed by Robertson & Caine with naval architecture by Morrelli & Melvin, it features a functional layout with well-utilized spaces, making it ideal for long passages and life on board.

This 2012 model includes a panoramic salon with direct access to a forward cockpit, enhancing ventilation and onboard comfort. The large aft cockpit provides a spacious dining area and easy access to the water.
