Draft: 1.96 m

Engines

Engines: 2 x MTU 12V 2000 M96L

Primary Engines: Inboard

Power: 1950 hp

Drive Type: Shaft Drive

Tankage

Fuel Tanks #: 11000 l

Fresh Water Tanks #: 1400 l

Holding Tanks #: 435 l

General Characteristics

The Sunseeker 86 has proven to be a one of the most successful models in the range and in fact her size category. The combination of intelligent layout, classic yet contemporary styling, an optimized layout and huge windows allow light to flood into the interior - essentially an example to other brands.

- MCA classification: under 24m, Category B
- Cruising speed: 22 knots
- Maximum speed: 28 knots
- Flag: British
- Displacement: 67.000 kg
- GRT: 128
- Range @ 10 knots +/- 1.200 nm

Accommodation and Layout

The semi-open plan main deck works incredibly well with a combined saloon and dining area leading forward into a galley-main helm-wheelhouse arrangement. There is also a day head located just forward of the patio doors and dining area.

The interior is light with moderate use of dark satin finished joinery, crisp interior furniture and light parquet flooring, with carpets to the cabins. INSOMNIA can sleep 8 guests in 4 cabins on her lower deck and has nice crew accommodation aft for 4 persons, making this a great choice for private or commercial operation.

The dining area features a fixed table for 8 persons, a dedicated serving and storage area, full-height glass doors leading out onto the starboard side deck and fold-out balcony, creating a sensation of unmistakable luxury.

- Full-width central master cabin with dressing room, dressing table and lounging area, 3/4 width bathroom with 'his and hers' sinks.
- Comfortable VIP cabin in the bow with dressing room and dressing table. The ensuite bathroom is also very spacious
- Two twin en-suite cabins (both easily converting to doubles)
- Lower deck lobby with storage
- Aft crew mess with 2 x twin bunk cabins sharing a bathroom, accessed from the bathing platform
- Huge hull windows with opening port holes to all cabins
- Blackout panels and mosquito screens for all cabins
- Dometic tropical specification reverse cycle air-conditioning throughout (228.000 BTU)
- Tasteful direct and indirect LED lighting throughout
- Blinds to saloon side windows
- Stainless steel and glass rear door to saloon with grey curtain
- Light grey marble finish to the bathrooms
- Tecma toilets

Navigation and Electronics

Hydraulic steering, electronic engine controls and variable-speed hydraulic thrusters make manoeuvring a simple task.

- Sleipner SPS92 Zero-speed hydraulic stabilisers (with Vector fins)
- Sleipner SP550HYP bow and stern thrusters

Lower helm station

Twin leather helm chairs with footboards & large armrests, a deep wraparound windscreen combined with a complete array of instruments via the large 'glass bridge' displays deliver the feeling of total control. The adjacent side door means that you can be on the foredeck in a flash if needed.

Opposite to port is a large 'L' shaped seating area with a grey leather sofa and table useful for snacking, crew, or surveying the charts whilst deciding your next destination.

- Simrad NSO processor with Simrad OP50 Controller
- 3 x Hatteland 'System X' 19" Glass Bridge Displays
- Simrad Halo 6 Pulse Compression Radar 72nm 6-foot open array radar scanner
- Simrad GS25 GPS Antenna
- Simrad Autopilot system with B744V speed depth transducer
- Simrad RS90 VHF radio with DSC
- Simrad AIS NAIS 400 Class B AIS Transponder system with integrated GPS receiver
- Simrad Go-Free wireless access control for iPad
- Triple windscreen wipers with washers
- Clock and barometer
- De-mister system for screens

Flybridge helm station

Twin helm chairs with bolster section for maintaining a watch, and also rotating to join in the party depending upon the occasion. Comprehensive instrumentation is repeated, allowing full operation of the vessel.

- 2 x Simrad NSS16 evo3 16" Chart plotter multifunctional displays
- Simrad Autopilot with QS80 control
- 2 x Simrad IS42 Multifunction Instruments
- Simrad second station RS90 VHF with DSC
- Simrad 110WX Sonic wind speed weather station

Third docking station on the port aft deck.

Electrical Systems

- 12, 24, 220 Volt systems
- European AC 220V sockets
- Atlas Autosshore 30kVA line voltage regulator
- 32 kW Kohler generator
- 28 kW Kohler generator

Entertainment Equipment

AV Performance Package including Samsung TVs, Sonos speakers, Blu-ray players and Apple TVs to all cabins.

Saloon

- Samsung 65" Television on forward bulkhead with a Blu-ray player with Sonos Playbar and Sonos Subwoofer
- Speakercraft WH6.1 rear speakers with Sonos Amp

- Observation area 24" Television with Speakercraft CRS8 speaker
- Sonos Connect linked to the AV system

Master Cabin

- Samsung 55" Television
- Blu-ray player. 5:1 system with Sonos Playbar and Sonos Subwoofer
- Speakercraft WH6.1 rear speakers with Sonos connect Amp
- Apple TV

Forward VIP Cabin

- Samsung 40" Television
- Blu-ray player with Sonos Beam soundbar and Sonos Subwoofer
- Apple TV

Port and Starboard Guest Cabins

- 24" Television
- Samsung Blu-ray player with Sonos Beam soundbar and Apple TV

Aft Cockpit

- 4 x Sonance VP65R XT Extreme Speakers with Sonos Connect and amplifier

Flybridge

- 6 x Sonance VP65R XT Extreme Speakers with Sonos Connect and amplifier

Fore Deck

- 2 x Sonance VP65R XT

Galley and Laundry

Centrally located galley with access fore and aft on both sides. A large opening serving hatch creates a bar with two high stools in the bridge area, yet also fully enclosable if needed. Black stone polished worktops, cream-white doors and parquet flooring with ample natural lighting make this another space for socializing.

- Door to side deck
- Hansgrohe galley mixer taps with pull-out spray
- Large stainless steel sink with 2 drying areas
- Frigoboat Fridge / Freezer G62800 (250 l fridge + 120 l freezer) in stainless steel
- Smeg ceramic hob updated
- Miele electric oven H2265B
- Dishwasher updated
- Miele microwave
- Bosch hob extractor fan DHL535B
- U-Line wine cooler 3060ZWC (Main Salon)
- U-line refrigerator 3060DC (Main Salon)
- Additional fridge & freezer in forward bilge accessed from galley
- Miele washing machine WDA201
- Miele tumble dryer T8722

Crew Mess

- Sharp microwave R274 SLM
- Waeco refrigerator CR1080e

Deck and Tenders

Full teak decking to the whole vessel with all exterior areas able to cater for 8 to 10 guests. The aft deck features an integrated U-shaped sofa around a stylish teak dining table with director's chairs under the protection of the flybridge. Twin transom gates provide access down to the huge bathing platform.

The bow features a casual sofa area around a table with a huge sun pad in front.

The flybridge extends towards the extremities of the vessel in all directions and consequently feels like a larger yacht. With separate zones for the helm station and seating alongside, a massive dining area, a flybridge bar with stools and a huge sun pad aft, you might be left wondering where to make yourself comfortable first.

- Hydraulic swimming platform with a lift capacity of 1000kg
- Besenconi hydraulic passerelle concealed in the transom
- Carbon fibre hard top to the fly with a large opening section & aft canopy extension
- Fold down balcony to dining area side deck
- 2 x side doors and transom door to the crew area
- 2 x Lewmar V8 windlasses with capstans
- Lewmar 80kg galvanised anchor with 100m 12mm diameter galvanised chain
- Lewmar 50kg galvanised anchor with 60m 12mm diameter galvanised chain
- 2 x aft deck mooring winches
- Deck wash outlets to the bow and transom
