ABOUT VESSEL

The Sunseeker Predator 74 XPS stands out from the crowd, and this example is in prime condition, with pedigree ownership and service history, a fantastic specification, blistering performance and exceptional appearance and profile. Built to the finest standards, this yacht really has presence, profile and a quality status. A prolific performer at a very realistic price!

The Predator range of Sunseekers always has an imposing, strong profile, and this is no exception; finished with a strong black hull, with white superstructure and carbon and stainless accents, the appearance of this 74 XPS is exceptional. Equipped with ample areas to socialise in the sun, and with enhanced watersports storage and a very pragmatic edge, this yacht is built for fun and enjoyment as well as comfort and performance

Interior design on this yacht is truly special, in line with the superior XPS theme, including layering of grey fabrics and linings, painted lacquers and grey oak flooring, with opulent dark-wood eucalyptus and features in carbon, stainless and black anodised metals. The use of exotic stones on worktops and gives this yacht a very prestigious and special feel.

Built to the highest specification, this Predator 74 XPS leaves little to be desired. With upgraded air conditioning, audio-visual and navigation packages, as well as fin stabilisation, CCTV, remote control for the engines, upgraded galley appliances, a watermaker and exterior fridges, there is a plethora of useful and practical features that make this yacht a superior option in today's marketplace.
